

TRANSPAN early career investigators' meeting

Identification of biological markers for prevention and translational medicine in pancreatic cancer.

3 Oct
+

📍 Hope Street Hotel

Aspiring researchers in the field of pancreatic cancer, this workshop is for you. It's a platform where you can showcase your work in front of a supportive audience of your peers and established researchers. You'll not only get a chance to discuss your work but also initiate collaborations that will drive the future of pancreatic cancer research.

Mentors

Dr Maria Del Pilar Acedo Nunez

Senior Research Fellow, University College London
p.nunez@ucl.ac.uk

Professor Maarten Bijlsma

Associated professor, Amsterdam UMC
m.f.bijlsma@amsterdamumc.nl
